Forest City Area Rotary Club Anthracite Coal Miner's Memorial

Our ancestors' journeys to the coal region were economical, social, political and/or personal. For whatever reason, the fact remains, coal miners and families from diverse cultures began a hard working way of life in Northeastern Pennsylvania. They established the heritage the world acknowledges as the "coal region" and it is appropriate to commemorate their livelihood. The memorial is situated on Main Street in front of the William Penn Apartments.

"ROXY"

The man who opened Radio City Music Hall and brought the famous Rockettes into the Big Apple in the 1930s got his start in show business in Forest City. This marker from the Pennsylvania Historical and Museum Commission stands outside Zazzera's Supermarket in Forest City. The marker is dedicated to Samuel Lionel Rothafel, who was known affectionately as "Roxy." He opened his very first theater on this spot in 1908, called the "Rothafel Family Theater" known after that as the "Family Theater." He moved to New York City in 1912, opening The Roxy Theater in Times Square in 1927. The Rockettes were originally called the Roxyettes.

SAMUEL "ROXY" ROTHAFEL (1882-1936)

Entertainment pioneer who operated the Family Theater on Main St. in 1908-11. Here he introduced innovations such as performing audiences and daylight films. He took his ideas to New York City, opening the Roxy Theater and bringing the Rockettes to Radio City Music Hall.

A Four Season Playground

The D&H Rail-Trail is 38 miles long and runs from the Simpson Viaduct at Route 171 north to the New York State border, generally following the eastern border of Susquehanna County.

The 10 miles of the D&H from Forest City to Herrick is in the best condition for running, hiking and biking. The trail provides river access for fishing, nature study and kayaking. Stroll, run, cycle, cross-country ski, horseback ride, snowmobile or walk the dog along the trail. Or stop along the trail to eat at an area restaurant, browse through a local artisan's shop or antique store, and spend the night at a local inn.

Rails & Trails

Trail use is free and open to the public from dawn to dusk. For information on trail maps, a complete listing of events and trail conditions, visit www.nepa-rail-trails.org

Motor Vehicles

ATVs, dirt bikes or motorcycles are not allowed on the trails. The Northeast PA SnoTrails, a PA State Snowmobile Association member, grooms the trail system in winter, opens additional linking trails and regulates snowmobilers.

A trail pass and insurance are necessary for snowmobiling. To find out where to get your trail pass applications and trail maps, check for snow conditions and route closures, visit www.nepa-rail-trails.org

The Rail-Trail Council of NEPA offers **free events all year long**. Winter Trail Days include discovery walks, show shoeing, cross country skiing and hiking. Spring, Summer and Fall offer bike clinics and rides, yoga walks and local-artists featured events.
